

Mossy Cottage Sock Patterns

Dublin Bay Socks®

A simple stockinette sock with a lace insert* down each side. As a reflection of the lace "vine" motif, this sock pattern is named after a type of climbing rose.

*Lace pattern from the "365 Knitting Stitches a Year Perpetual Calendar"

MATERIALS

- 2 skeins Lorna's Laces Shepherd Sock Yarn, 215 yards each. Sample sock knit in "Child's Play."
- 1 set size 1 (2.25mm) dpns (or size needed for gauge)
- Tapestry needle for weaving in ends
- Crochet hook for picking up gusset stitches

GAUGE: 9.5" stitches per inch

ABBREVIATIONS

- K = knit
- P = purl
- K2tog = knit two stitches together. This will combine two stitches together with a right-leaning slant.
- Yo = yarnover (wrap the yarn around the right-hand needle from back to front to back to make an extra, open stitch that will form the holes in the lace)
- SSK = Slip one stitch from the left needle to the right needle as if to knit. Slip the next stitch the same way. Insert the left needle into the two stitches from left to right (top to bottom) and knit the two stitches together. This will combine two stitches together with a left-leaning slant.

You are finished when you have used up all the stitches on either side of the heel. You should now have 22 stitches on your needle.

Row 15: Knit.

GUSSET STITCH PICKUP

Combine the stitches on needles 1 and 3 onto one needle.

With the heel to your right, in the slip stitch edge you created when you knit the heel, pick up 20 stitches and place them on an empty needle.

Knit across the instep.
